Dear Sunrise Ag Coop Patrons,

January 2nd, 2018

Feed/Grain news – We thank you all for your feed and grain business in 2017 and look forward to serving you in 2018. Just a small reminder if you have seen increases in your feed costs on any feeds it's mainly due to the BASF citral plant explosion reported a couple months ago and have fueled higher prices on vitamins. Some of the vitamins have went up in price 6-15 times higher than what they previously were. We are offering Soybean meal, Canola, Amino Plus, and Corn Gluten Pellets. I can email you daily with these prices if you would like. Email me @ jason@sunriseagcoop.com and I'll add you to the list. Check out our website!! You can order feed on there, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. When ordering feed **PLEASE** give us a one day notice. It helps the Coop tremendously in many ways.

Most importantly..... Thank you for your business!

Pierz Repair Shop – The Pierz Repair shop has gone to winter hours. We will be closed Wednesday's and open Mon/Tue/Thu/Fri 8am – 5 pm and Saturdays 8-Noon. Get your chainsaw purchased and chains sharpened! Stihl has also come out with an awesome new pressure washer, the RB200 is \$429 so stop in a check it out as you get ready to clean up everything before storing it for winter! Sunrise Repair Shop in Pierz is looking for used oil to heat the building. If you have used oil you would like to get rid of please call Jon or Dave. The oil **CAN'T** have water or antifreeze in it.

Milk / Milk house news – With winter upon us please try to clean your yards when it snows and throw a little ice melt down if it's slippery around the milk houses. Thank you so much! If you're a current FDA (Sunrise Ag) member and interested in contracting milk give FDA a call at 1-866-593-4235. With the changes from FDA on hauling in effect now, if anybody is interested in upgrading their bulk tank to get to an every other day pick up for \$ savings. FDA has a loan program using your back equities. The interest is very low. You must have back equity at FDA for this to be able to work though.

Upcoming Deadlines/Events – January 17th U of M extension is having a meeting on Farming in the tough times at Shady's hometown tavern in Albany at 10:30 with registration at 10 am.

Sunrise Ag Board of directors – At our upcoming annual meeting we have 2 board positions up for reelection and they are Greg Poster and Mike Seppelt. If anybody is interested in running for the Sunrise Ag board please call Jason in Buckman or feel free to call the nominating committee Al Schmitt or Dave Smude. I would like to have candidates by February 1st in efforts to have a very small bio sent out in the February newsletter so everyone has a chance to know who they are voting for come March 20th.

Buckman, Lastrup, and Little Rock – Call Kay, Josh, and Tim if you need anything, if we don't have it we'll get it! If you're looking to save some money on early order Seed Corn, call Josh at Lastrup or Roger 320-420-9719. Also remember us if you are in need of rock buckets, hay spear, etc.....Give our locations a call for the best price around on Virnig attachments!!
