Dear Sunrise Ag Coop Patrons,

January 2nd, 2019

Feed/Grain news – Well another year has come and gone! We thank you for you feed and grain business in 2018 and look forward to serving and helping you through 2019. Through December we have dried over 650,000 bushels of wet corn giving us a 4th consecutive year of that achievement or more. With the usage of grain and sales we have been pretty competitive on our Corn price so if you are thinking of selling grain keep an eye on our website! At our last board meeting the board has decided to move forward with a mill project to help make the Coop more efficient in many ways and has resulted in us removing two grain bins by the mill and will be putting them on bids in January. More details on page 4. We are always offering future contracting on Soybean meal, Canola, Amino Plus, and Corn Gluten Pellets. I can email you updates of these prices if you would like. Email me @ jason@sunriseagcoop.com and I'll add you to the list. Check out our website!! You can order feed on there, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. When ordering feed PLEASE give us a one day notice. It helps the Coop tremendously in many ways.

Most importantly..... Thank you for your business!

\$\$\$\$\$\$\$\$ - Please remember if you are charging anything at Sunrise Ag it is due by the 15th of the following month for you to stay current and continue to be allowed to use the credit given. We know times are very challenging at this time and we are willing to work with you but we are not a bank either. Credit is a privilege don't abuse it!! Please continue to work with your nutritionist, banker, agronomist, Coop, etc..... During these challenging times. Thank you for your efforts towards this.

Buckman, Lastrup, and Little Rock – Call Niki, Josh, and Tim if you need anything, if we don't have it we'll get it! If you're looking to save some money on early order Seed Corn, call Josh at Lastrup or Roger 320-420-9719. Also remember us if you are in need of rock buckets, hay spear, etc.....Give our locations a call for the best price around on Virnig attachments!! The 2019 pricing and details are out, give them a call.

Pierz Repair Shop – Once again the Pierz Repair shop has gone to winter hours.

We will be closed Wednesday's and open Mon/Tue/Thu/Fri 8am – 5 pm and Saturdays 8-Noon.

Stop in a check out the huge line of Stihl equipment! Sunrise Repair Shop in Pierz is always looking for used oil to heat the building. If you have used oil you would like to get rid of please call Jon or Dave. The oil **CAN'T** have water or antifreeze in it.

Upcoming Deadlines/Events – ADA annual meeting LF Ballroom Thu Jan 3rd at 11am.

Continued on back.....

Milk / Milk house news – With winter upon us please try to clean your yards when it snows and throw a little ice melt down if it's slippery around the milk houses. Thank you so much!! If you're a current FDA (Sunrise Ag) member and interested in contracting milk give FDA a call at 1-866-593-4235. With the changes from FDA on hauling in effect now, if anybody is interested in upgrading their bulk tank to get to an every other day pick up for \$ savings. FDA has a loan program using your back equities. The interest rates are attractive and competitive but you must have back equity at Sunrise Ag/FDA for this to be able to work though.

Sunrise Ag Board of directors - At our upcoming annual meeting we have 3 board positions up for reelection and they are Calvin Beumer, Peter Kasella, and Roy Boser. If anybody is interested in running for the Sunrise Ag board please call Jason in Buckman or feel free to call the nominating committee Greg Poster or Mike Seppelt. I would like to have candidates by February 1st in efforts to have a very small bio sent out in the February newsletter so everyone has a chance to know who they are voting for come March 19th.

Federated Coops- The corn drying season is all wrapped up but the dang snowballs are here and it's cold!! Sunrise still has a partnership with Federated Coops and would like you to strongly look at purchasing propane from them if you don't already. Our relationship with Federated helps our bottom line as well. Please contact Jason Karsky 320-292-2981 or Allen Beumer 320-630-4744 with any questions regarding your propane needs.

If you are looking to recycle plastic on your farm contact Revolution plastics at collections@revolutionplastics.com or <https://www.revolutionplastics.com/index.php> or 844-490-7873.

If you have any questions or concerns please call us at Sunrise Ag and we will try our hardest to help you out!

Thank you for your past and future patronage!

Jason Sadlovsky, General Manager

If you have anything you want to sell, give us a call and we can add it on here once a month. Call in, fax at 320-468-2807, or email it to me at jason@sunriseagcoop.com what you have to sell, your phone number to contact you at, price of it, and etc..... **Also please remember to let us know if it's gone so we can remove it.** Well hopefully this can help one farmer get rid of something by helping another farmer with a need of theirs.
