Dear Sunrise Ag Coop Patrons,

July 1st, 2019

Pierz Repair Shop – In the month of June we have had a change at our Repair shop in Pierz. Jon Stumpf has decided to move onto another job and we have hired Bill Stamm. Bill is resident of Pierz/Genola and you may have heard of Baja Bills mobile repair? We have hired Bill to run our Pierz Repair shop as of June 24th. Bill will repairing all brand of ATV's, Snowmobiles, chainsaws, side by sides, lawn mowers, etc along with selling our Gravely mowers and Stihl equipment. We will also be doing a mobile service as well so if you have any questions or equipment that needs repair please call Bill in Pierz 320-468-2168!! If you are in need of motor repair please call Nick 218-330-6587, he does do service calls as well. Sunrise Repair Shop in Pierz is always taking used oil to heat the building. If you have used oil you would like to get rid of please call Bill or Dave. The oil CAN'T have water or antifreeze in it.

Feed/Grain news –With the heat finally here make sure you have clean water and space for you cattle to drink and also make sure your fans are cleaned and ready to run. We have incorporated summer fly control into our Sunrise feeds we make and sell and we hope your nutritionists are doing the same! With the usage of grain in our production and sales we have been pretty competitive on our Corn price so if you are thinking of selling grain keep an eye on our website! Also as we are doing more contracting of future Corn sales we need everyone to sign their contracts and return them moving forward and will need them signed before payment will be made. We are always offering future contracting on Soybean meal, Canola, Amino Plus, and Corn Gluten Pellets. I can email you updates of these prices if you would like. Email me @ jason@sunriseagcoop.com and I'll add you to the list. Check out our website!! You can order feed on there, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. When ordering feed PLEASE continue to give us a one day notice. It helps the Coop tremendously in many ways.

Most importantly..... Thank you for your business!

Milk / Milk house news – Sunrise Ag is passing out the back equity from FDA we received in June. There will be \$270,000 going back out to the farms. Sunrise Ag is looking for new milk patrons!! So if you are not currently a milk patron of ours and want to check out being one call Roger 320-420-9719 or Jason in Buckman. It never hurts to do a price comparison as it is free and painless and you never know what you might be cutting yourself short! Sunrise markets their milk through First District and as a whole package I truly believe they are the leader in the markets. With warmer temperatures now here please make sure those compressors are blown out for cooling your milk as efficiently as possible! If you're a current FDA (Sunrise Ag) member and interested in contracting milk give FDA a call at 1-866-593-4235. With the changes from FDA on hauling in effect now, if anybody is interested in upgrading their bulk tank to get to an every other day pick up for \$ savings. FDA has a loan program using your back equities. The interest rates are attractive and competitive but you must have back equity at Sunrise Ag/FDA for this to be able to work though. Bob Huffman was selected as the new Pres/CEO of FDA. Bob has 13 years of experience coming from DFA out of Kansas. You can find his full bio of information on the FDA newsletter. Welcome Bob!!

Upcoming Deadlines/Events – JULY 4th..... Happy July 4th from all of us at Sunrise Ag!
