Dear Sunrise Ag Coop Patrons,

March 1st, 2019

Feed/Grain news – With the usage of grain and sales we have been pretty competitive on our Corn price so if you are thinking of selling grain keep an eye on our website! We are always offering future contracting on Soybean meal, Canola, Amino Plus, and Corn Gluten Pellets. I can email you updates of these prices if you would like. Email me @ jason@sunriseagcoop.com and I'll add you to the list. Check out our website!! You can order feed on there, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. When ordering feed PLEASE continue to give us a one day notice. It helps the Coop tremendously in many ways.
Most importantly..... Thank you for your business!

\$\$\$\$\$\$\$\$ - Please remember if you are charging anything at Sunrise Ag it is due by the 15th of the following month for you to stay current and continue to be allowed to use the credit given. We know times are very challenging at this time and we are willing to work with you but we are not a bank either. Credit is a privilege don't abuse it!! Please continue to work with your nutritionist, banker, agronomist, Coop, etc..... During these challenging times. Thank you for your efforts towards this.

Buckman, Lastrup, and Little Rock – Call Niki, Josh, and Tim if you need anything, if we don't have it we'll get it! If you're looking to save some money on early order Seed Corn, call Josh at Lastrup or Roger 320-420-9719. Also remember us if you are in need of rock buckets, hay spear, etc.....Give our locations a call for the best price around on Virnig attachments!! Milk / Milk house news – Please make sure you get signed up for the new dairy government programs. I will try to post any updates I receive on this on our main page of our website. March is usually known for snow so please try to clean your yards cleaned out when it snows and throw a little ice melt down if it's slippery around the milk houses. Thank you so much!! If you're a current FDA (Sunrise Ag) member and interested in contracting milk give FDA a call at 1-866-593-4235. With the changes from FDA on hauling in effect now, if anybody is interested in upgrading their bulk tank to get to an every other day pick up for \$ savings. FDA has a loan program using your back equities. The interest rates are attractive and competitive but you must have back equity at Sunrise Ag/FDA for this to be able to work though.

Scholarships for your graduates – Scholarship applications are being taken as Sunrise Ag yearly gives out 2 – \$500 scholarships, with preference given to someone advancing in an agricultural based education. All scholarships are due by **March 29th** to the office. The two scholarships from Sunrise are a Sunrise scholarship and the other is our Alvin Funk Memorial Scholarship. FDA also gives out scholarships too. To be eligible students must be a high school graduate and continuing education in an agricultural related field. Applications are available at the Buckman office for all scholarships. Call Deb with any questions regarding the scholarships. Through the Insurance advisory council of insurance center and security health plan there are 6 - \$500 scholarships available in May. To be eligible for one students must be a high school graduate continuing their education in an agriculture related field while attending post-secondary college or university. You can call direct to 1-800-944-1367 ext 30274 or website www.ticinsurance.com under current news tab. Applications are due no later than March 31st. We have this information at the Coop too you can call in and ask for Deb for help.

Sunrise Ag Board of directors - At our upcoming annual meeting we have 3 board positions up for reelection and they are Calvin Beumer, Peter Kasella, and Roy Boser. Peter and Roy have decided they will not rerun for another term and we thank them for their years of service on the Sunrise Ag board. If anybody is interested in running for the Sunrise Ag board please call Jason in Buckman or feel free to call the nominating committee Greg Poster or Mike Seppelt.

Federated Coops- The corn drying season is all wrapped up but the dang snowballs are here and it's cold!! Sunrise still has a partnership with Federated Coops and would like you to strongly look at purchasing propane from them if you don't already. Our relationship with Federated helps our bottom line as well. Please contact Jason Karsky 320-292-2981 or Allen Beumer 320-630-4744 with any questions regarding your propane needs.

We have started a Facebook page to keep you updated on things coming up, sales and specials, or any news in Ag. Please like and follow us.

If you have any questions or concerns please call us at Sunrise Ag and we will try our hardest to help you out!
Thank you for your past and future patronage!
Jason Sadlovsky, General Manager
