Dear Sunrise Ag Coop Patrons,

May 1<sup>st</sup>, 2018

**Feed/Grain news** – With the markets like they are still, I just want to really stress again that using your nutritionist, agronomist, banker, Coop, etc.... is going to be very important during these tight times and really encourage you to use their knowledge to help your farm out. The summer heat is coming and will be ready to attack us and we have 3 very good products available to help your farm take on that battle. We have Hydrolac, ThermoCad, and Rally for helping your cattle out during the heat stress times of summer talk to your nearest location manager. We also have some great products like Clarify, Rabon, and Altosid for fly control that we can add to your feeds and do add to some of our mixes already. These feed supplements prevent house flies, stable flies, face flies, and horn flies from developing in and emerging from the manure of treated cattle. Clarify is also available in all Land O Lakes brand Milk Replacers. Our experiences from previous years is that these products works very well! Also other minerals and feeds we have also have altosid for fly control. This is great time to purchase your beef cattle minerals and tubs. We have spring discounts on Hubbard and Purina minerals and tubs. Please contact Ron Lanners 320-224-8812 with what you may need and pricing! Spring has come! And that brings us to very soft driveways and yards for a while. As we will try our hardest not to go somewhere we shouldn't we please ask you to not consider sending us into any place for the same reason. Example, if you have creep feeders in a pasture that is not solid for us to get to please have them pulled out ahead time or along a fence line were we can reach it. We will NOT be traveling through stock yards as these trucks are not made for this. Thank you in advance for helping us out on this situation. We are offering Soybean meal, Canola, Amino Plus, and Corn Gluten Pellets. I can email you daily with these prices if you would like. Email me @ [jason@sunriseagcoop.com](mailto:jason@sunriseagcoop.com) and I'll add you to the list. Check out our website!! You can order feed on there, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. When ordering feed PLEASE give us a one day notice. It helps the Coop tremendously in many ways.

**Most importantly..... Thank you for your business!**

**Buckman, Lastrup, and Little Rock** – We have seed and Brillion seeder rentals available in Lastrup and Little Rock. Lastrup has a sale on 25ft stand-alone panels made by real tuff for \$420 each! Call Kay, Josh, and Tim if you need anything, if we don't have it we'll get it! If you are in need of rock buckets, feed buckets, hay spears, blades, anything you can think of so give any of our locations a call for the best price around on Virnig attachments!!

**Once again it's that time of year to order your baby chicks!!** There are more varieties to choose from this year and this year's deliveries will be Thursday's May 3<sup>rd</sup>, 17<sup>th</sup>, and 31<sup>st</sup>. There are new updated 2018 books. You can order them ANYDAY so simply give our location managers a call about anything before ordering and they will help you out!

**Milk / Milk house news** – With warmer temps coming make sure your bulk tank compressors are blown out and clean as they will be working harder very soon! If you're a current FDA (Sunrise Ag) member and interested in contracting milk give FDA a call at 1-866-593-4235. With the changes from FDA on hauling in effect now, if anybody is interested in upgrading their bulk tank to get to an every other day pick up for \$ savings. FDA has a loan program using your back equities. The interest rates are attractive and competitive but you must have back equity at Sunrise Ag/FDA for this to be able to work though.

**Pierz Repair Shop** – It's time to start cutting your lawns so stop into Pierz and check out the Gravely mowers. You can test drive one if you'd like in Pierz. We also have our FS56R-Ce string trimmer on sale for \$199.95 to trim up your yards! And like always we have all your Stihl equipment needs as well. If you are in need of motor repair please call Nick 218-330-6587, he does do service calls as well. Sunrise Repair Shop in Pierz is looking for used oil to heat the building. If you have used oil you would like to get rid of please call Jon or Dave. The oil **CAN'T** have water or antifreeze in it.

**Upcoming Deadlines/Events** – Spring planting finally! Please be safe and have fun. If you are in any last minute needs of seed or seeder rentals call Lastrup, Little Rock, or Roger.

\*\*\*\*We have set up a really fast survey on if you would use online paying to pay your account. There is a fee to set it up and we are wondering if there is any interest in it before making the investment. It is very easy to do and will only take you 1 minute so please just go to our website [www.sunriseagcoop.com](http://www.sunriseagcoop.com) and click on the tab that says click here for survey. Thank you.

If you are looking to recycle plastic on your farm contact Revolution plastics at [collections@revolutionplastics.com](mailto:collections@revolutionplastics.com) or <https://www.revolutionplastics.com/index.php> or 844-490-7873.

If you have any questions or concerns please call us at Sunrise Ag and we will try our hardest to help you out!  
***Thank you for your past and future patronage!***  
Jason Sadlovsky, General Manager

Classifieds on page 3..

If you have anything you want to sell, give us a call and we can add it on here once a month. Call in, fax at 320-468-2807, or email it to me at [jason@sunriseagcoop.com](mailto:jason@sunriseagcoop.com) what you have to sell, your phone number to contact you at, price of it, and etc..... **Also please remember to let us know if it's gone so we can remove it.** Well hopefully this can help one farmer get rid of something by helping another farmer with a need of theirs.
