Dear Sunrise Ag Coop Patrons,

September 3rd, 2019

Feed/Grain news – Please make sure your grain bank balances are in check and being used before harvest. If you are planning to store any corn or soybeans again at the Coop please call in and get on the list. We will try our best to accommodate everyone's needs. With the wet spring and fairly cool summer this looks to be a challenging harvest! With the usage of grain in our production and sales we have been pretty competitive on our Corn price so if you are thinking of selling grain keep an eye on our website! We are always offering future contracting on Soybean meal, Canola, Amino Plus, and Corn Gluten Pellets. This is “typically” a good time for contracting commodities but nothing has been typical lately. Most of our contracts run out this month so please feel free to contact us for prices or I do email prices when I get the chance so if you want updates of these prices Email me @ jason@sunriseagcoop.com and I'll add you to the list. Check out our website!! You can order feed on there, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. When ordering feed PLEASE continue to give us a one day notice. It helps the Coop tremendously in many ways.

Most importantly..... Thank you for your business!

Milk / Milk house news – If you're a current FDA (Sunrise Ag) member and interested in contracting milk give FDA a call at 1-866-593-4235. If anybody is interested in upgrading their bulk tank to get to an every other day pick up for \$ savings. FDA has a loan program using your back equities. The interest rates are attractive and competitive but you must have back equity at Sunrise Ag/FDA for this to be able to work though. Sunrise Ag is looking for new milk patrons!! So if you are not currently a milk patron of ours and want to check out being one, call Roger 320-420-9719 or Jason in Buckman. It never hurts to do a price comparison as it is free and painless and you never know what you might be cutting yourself short! Sunrise markets their milk through First District and as a whole package I truly believe they are the leader in the markets.

Pierz Repair Shop – Bill is repairing all brand of ATV's, Snowmobiles, chainsaws, side by sides, lawn mowers, etc along with selling our Gravely mowers and Stihl equipment. If you are in need of motor repair please call Nick 218-330-6587, he does do service calls as well. Sunrise Repair Shop in Pierz is always taking used oil to heat the building. If you have used oil you would like to get rid of please call Bill or Dave. The oil **CAN'T** have water or antifreeze in it.

Upcoming Deadlines/Events – Wednesday September 11th is burndown day in Pierz 10-2. Please bring 3-4 stalks for a good sample. You also can bring some stalks to Buckman before or after Sept 11th for testing as well. Have a fun harvest and **BE SAFE!**

Buckman, Lastrup, and Little Rock – We have 8, 9, and 10 foot baggers for rental along with all your Ag bags, bunker covers, twine, net wrap, fly sprays, fly control products, and inoculants of many brands for you during this forage season. If you are in need of rock buckets, feed buckets, hay spears, blades, anything you can think of give any of our locations a call for the best price around on Virnig attachments!!

We have started a Facebook page to keep you updated on things coming up, sales and specials, or any news in Ag. Please like and follow us.

Accounts Receivable reminder - Please remember if you are charging anything at Sunrise Ag it is due by the 15th of the following month for you to stay current and continue to be allowed to use the credit given. We know times are still very challenging at this time and we are willing to work with you but we are not a bank either. Credit is a privilege don't abuse it!! Please continue to work with your nutritionist, banker, agronomist, Coop, etc..... During these challenging times. Thank you for your efforts towards this.

Federated Coops- The corn drying season and snowballs are going to be here before we know it. Sunrise still has a partnership with Federated Coops and would like you to strongly look at purchasing propane from them if you don't already. Our relationship with Federated helps our bottom line as well. Please contact Jason Karsky 320-292-2981 or Allen Beumer 320-630-4744 with any questions regarding your propane needs. Thank you
