Dear Sunrise Ag Coop Patrons,

April 1st, 2021

Feed/Grain news – Grain and feed markets are still very volatile at this time. It is a very crazy time right now with prices and availability. We are starting to see some allocations on some products because of freight issues. The prices on some feeds have also risen due to this freight issue as well. Just know that if you see an increase in feed prices right now it's due to the cost going up and don't be surprised. Hopefully our milk and cattle markets stay up there to help us out. We still have our Crystalyx tubs and Hubbard mineral sales through April 30th. Up to \$5 per bag off on Amp max milk replacer. We are still offering future contracting on Soybean meal, Canola, Amino Plus, and Corn Gluten Pellets. Markets and/or the basis's have still NOT been trending in the right direction for desired contracting but hopefully this can turn in a better direction for us as well but keep in mind it might not! I will try to email prices as much as I can so if you want updates of these prices Email me @ jason@sunriseagcoop.com and I'll add you to the list or let any of your nutritionists know and they can let me know to add you as well. Check out our website!! You can order feed on there, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. When ordering feed PLEASE continue to give us a one day notice. It helps the Coop tremendously in many ways.

Most importantly..... Thank you for your business!

Sunrise Ag Board of directors – Dean Marshik won the board election and has replaced Greg Poster on the Sunrise Ag board. We/I would like to take this time to thank Greg for his 25 years of serving as a board of director for the Coop. Thank you Greg!

Upcoming dates – Spring planting, stay safe and have fun!

Pierz Repair Shop – Don't wait too long to get your new mower for 2021. Stop in or call and check out what we have to offer for this coming season. We now have Luis Robles on staff fulltime to work on electric motors and engine repairs so when you bring your electric motor in to get checked out or fixed we will do it when you show up instead of dropping it off, unless he's working on somebody else's at the time. Bill and his crew also repair all brands of ATVs, snowmobiles, chainsaws, side by sides, lawn mowers, etc. along with selling our Stihl equipment line year around. Sunrise Repair Shop in Pierz is always taking used oil to heat the building. If you have used oil you would like to get rid of please call Bill or Dave. The oil **CAN'T** have water or antifreeze in it.

Buckman, Lastrup, and Little Rock – We have billion seeders to rent in Little Rock and Lastrup and Lastrup has a roller/packer to rent for spring seeding. Call on seed oats and barley prices. We have all your supplies on hand for your farms and your households! Call Niki, Josh, and Tim if you need anything, if we don't have it we'll get it! If you are in need of a brush cutter, rock buckets, feed buckets, hay spears, blades, anything you can think of give any of our locations a call for the best price around on Virnig attachments!!

We have started a Facebook page to keep you updated on things coming up, sales and specials, or any news in Ag. Please like and join us!!

It's time to order your chicks again and we will once again be getting our birds through Hoover's hatchery. Please call or check our website for more details.

Accounts Receivable reminder – Now more than ever please remember if you are charging anything at Sunrise Ag it is due by the 15th of the following month for you to stay current and continue to be allowed to use the credit given. We are willing to work with you but we are NOT a bank. If you can't stay current we can't give credit. Credit is a privilege so please don't abuse it!! If you have any questions or situations upcoming please call us in advance. Thank you very much.
