Dear Sunrise Ag Coop Patrons,

April 1st, 2025

Feed/Grain/Coop news – Thank you to everyone that attended our annual meeting and again, thank you all very much for your business and loyalty which helps us have these very successful consecutive years at Sunrise Ag Coop. We will continue to find the best quality products, best costs, and provide the best service we possibly can to all of our patrons. Purina is still offering multiple different combinations of Wind and Rain minerals bookings this spring like years past, if you're interested, please contact Kari Heidebrink 320-630-4786, Jos, or Ron for all of the details and prices. Please continue to work with your teams of nutritionist, bankers, agronomists, etc... to help you get the best results and return as possible. I will continue to run the commodity contract prices daily/weekly and if you want updates of these prices Email me @ jason@sunriseagcoop.com and I'll add you to the list or let any of your nutritionists know and they can let me know to add you as well. If you are interested in locking in any grain or feed, please let us know. We are offering future contracting on Soybean meal, Canola, Amino Plus, Soy Hull Pellets, NovaMeal, and Corn Gluten Pellets (direct to the farm only). You can use our website to order feed, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. When ordering feed PLEASE continue to give us a one-day notice. It helps the Coop tremendously in many ways.

Most importantly..... Thank you for your business!

Buckman, Lastrup, and Little Rock – We have variety of seeds, billion seeders for rent in Little Rock/Lastrup, and a land roller for rent in Lastrup. We are still placing chick orders through Hoover Hatchery, you will want to do this the sooner the better for your odds of getting what you would like, so please call Buckman to check your options and place your order! We have all of your spring supplies on hand for your farms and your households such as tingly boots, work boots, gloves, Ritchie waters, calf supplies and more. Call Ava, Steve, and Josh if you need anything, if we don't have it, we'll get it! If you are in need of a brush cutter, rock buckets, feed buckets, hay spears, blades, anything you can think of give any of our locations a call.

Please join, like, and share our Facebook page to keep you updated on things coming up, sales and specials, or any news in Ag.

Pierz Repair Shop – Get ready for spring/summer with the purchase of a new lawn mower or anything else you might need for spring/summer lawn/yard work. We also tune up and repair all brands of equipment. We have a 2 person and a 4 person Gravely side by sides for sale. We have a complete line of Stihl equipment on hand to look at so stop in! If you are having issues with electric motors, please bring them to Pierz. One slight change in Pierz, our electric motor repair guy Lou, has gone from full time to part time and plans to be onsite to look at/repair motors now only on Saturday's. Sunrise Repair Shop in Pierz is always taking used oil to heat the building. If you have used oil you would like to get rid of, please call Bill or Dave. The oil **CAN'T** have water or antifreeze in it.

Milk / Milk house news – If you're interested in contracting milk, give FDA a call at 320-593-4247 and talk to Blake Tangen.

Upcoming dates – FDA is having mid-year reviews which ALL of our milk patrons are certainly invited to attend on April 21st at Shaggy's Bonfire Bar and Grill in Litchfield, April 23rd at Greenwald Pub in Greenwald, and April 24th at Lions Community Center in Goodhue. They are all the same meeting so only need to attend one and they all start at 11:30am at each location. Hopefully we get to start our spring field work come mid-end of April, have fun and be safe!!!

Happy Easter to everyone on April 20th, all of our locations will be closing at Noon on Friday April 18th and open Saturday April 19th 8-noon.

Accounts Receivable – We continue to look at our AR list monthly and we will have to make decisions that are difficult but needed. **Please remember if you are told you can't charge anything more because of your credit being overdue, please be respectful to our employees if this action is needed and remember you can't go to any store and buy a candy bar or fuel without paying for it can you?** Please remember if you are charging anything at Sunrise Ag it is due by the 15th/20th of the following month for you to stay current and continue to be allowed to use the credit given. We are willing to work with you but we are **NOT** a bank. If you can't stay current, we can't just keep extending credit. Credit is a privilege so please don't abuse it!! If you have any questions or situations upcoming, please call us in advance.

Sunrise Ag Coop has an account setup with John Deere financial so if you have a farm account setup with them this is an option you can use.

We are now offering an online way to pay on your account. Just go to our website www.sunriseagcoop.com Just click on the "pay my bill online" tab and follow the steps. If you have any problems or questions, please call our office to help you out.

If you have any questions or concerns, please call us at Sunrise Ag and we will try our hardest to help you out!

Thank you for your past and future patronage!

Jason Sadlovsky, General Manager

If you have anything you want to sell, give us a call and we can add it on here once a month. Call in, fax at 320-468-2807, or email it to me at jason@sunriseagcoop.com what you have to sell, your phone number to contact you at, price of it, and etc..... **Also please remember to let us know if it's gone so we can remove it.** Hopefully this can help one farmer get rid of something by helping another farmer with a need.
