Dear Sunrise Ag Coop Patrons,

August 1st, 2023

Feed/Grain news – I've been fielding many phone calls in the past few weeks about contracting corn to buy come fall due to our area not looking very good for combining corn. We are doing our best to accommodate everyone's needs and if you are in the position to have corn to sell this fall or in 2024, please check out our markets online or give Jason a call in Buckman. We can do future cash price or basis contracts and we will be needing a bunch of corn for customer production. The nearby markets have done what seems to be an annual late July/Aug up trend due to basis levels tightening because processing plants shut down for maintenance before new crop comes in for the upcoming fall harvests. I will continue to run the commodity contract prices daily or weekly and if you want updates of these prices Email me @ jason@sunriseagcoop.com and I'll add you to the list or let any of your nutritionists know and they can let me know to add you as well. If you are interested in locking in any grain or feed, please let us know. We are offering future contracting on Soybean meal, Canola, Amino Plus, and Corn Gluten Pellets. Check out our website!! You can order feed on there, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. When ordering feed PLEASE continue to give us a one-day notice. It helps the Coop tremendously in many ways.

Most importantly..... Thank you for your business!

Buckman, Lastrup, and Little Rock – We still have butter at \$3.59/lb while supplies last. Little Rock has 5-bushel spreaders for sale and rent that work great for planting and or fertilizing your deer food plots. We have deer blocks and corn for the deer as well. We have all your supplies on hand for your farms and your households! Call Tracie, Josh, and Steve if you need anything, if we don't have it we'll get it! If you are in need of a brush cutter, rock buckets, feed buckets, hay spears, blades, anything you can think of give any of our locations a call for the best price around on Virnig attachments!!

Please join, like, and share our Facebook page to keep you updated on things coming up, sales and specials, or any news in Ag.

Pierz Repair Shop – If your lawnmower won't make the season we have Gravely, Ariens, or Troy-Bilt lawn mowers on hand, come check them out! We have a large line of Stihl chainsaws for that year around wood making process along with many other pieces of Stihl equipment on hand. If you are having any issues at all with electric motors, please bring them to Pierz and Lou will take a look right away and fix or replace. Sunrise Repair Shop in Pierz is always taking used oil to heat the building. If you have used oil you would like to get rid of, please call Bill or Dave. The oil **CAN'T** have water or antifreeze in it.

Upcoming dates – August 30th Burndown Day in Buckman 11am-2pm. Bring 3-5 stalks for sampling. We will have DairyLand lab reps on site for results. Benton and Crow Wing county fairs are going on now through August 6th.

Milk / Milk house news – FDA is looking for candidates for the FDA board of directors. If you are a patron of Sunrise Ag, you qualify and if you'd like to be a part of the decision making at FDA, please let Jason or Roger know by August 22nd. If you have more questions on the benefits please call Jason, Roger, or Dean Marshik. It would be fantastic to have a representation from Sunrise Ag on that board down in Litchfield.
