Dear Sunrise Ag Coop Patrons,

February 1st, 2021

Feed/Grain news – Well the markets have certainly given us some excitement these days. The high soybean meal and corn Chicago markets have given us some not so friendly feed prices right now. There has also been some increases of 35-65% on some vitamins, lysine, and methionine. I don't know what to tell you other than making sure you work close with your nutritionists to make sure you not wasting any money that you don't need to be wasting in these challenging market times. We are offering preseason Purina Wind & Rain mineral and inoculant booking discounts at this time, please contact Ron Lanners 320-224-8812, Jos Melse 218-639-5993, or Blaize Dankers 507-271-7427 to book or with any questions. We are still offering future contracting on Soybean meal, Canola, Amino Plus, and Corn Gluten Pellets. Markets and/or the basis's have still NOT been trending in the right direction for desired contracting still but hopefully this can turn in a better direction for us as well but keep in mind it might not! I will try to email prices as much as I can so if you want updates of these prices Email me @ jason@sunriseagcoop.com and I'll add you to the list or let any of your nutritionists know and they can let me know to add you as well. Check out our website!! You can order feed on there, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. When ordering feed PLEASE continue to give us a one day notice. It helps the Coop tremendously in many ways.

Most importantly..... Thank you for your business!

If you have any questions or situations upcoming to affect this please call in advance. Thank you very much.
