Dear Sunrise Ag Coop Patrons,

January 2nd, 2025

Feed/Grain/Coop news – Happy New Year's to all of our patron, we wish all of your farms and homes nothing but good health, safety, and success in 2025. 2024 has wrapped up and before the audit officially tells us how we did, I truly believe we had another great year. Our stores and feed mill had another very good year and our milk side (hauling) has been a little more of a challenge in 2024 but we are continuing to work on that all the time! We will continue to do our best to find the best quality and prices on products we can, to provide to our patrons. I will continue to run the commodity contract prices daily or weekly and if you want updates of these prices Email me @ jason@sunriseagcoop.com and I'll add you to the list or let any of your nutritionists know and they can let me know to add you as well. If you are interested in locking in any grain or feed, please let us know. We are offering future contracting on Soybean meal, Canola, Amino Plus, Soy Hull Pellets, NovaMeal, and Corn Gluten Pellets (direct to the farm only). You can use our website to order feed, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. When ordering feed PLEASE continue to give us a one-day notice. It helps the Coop tremendously in many ways.

Most importantly..... Thank you for your business!

Buckman, Lastrup, and Little Rock – We have all of your winter supplies on hand for your farms and your households such as winter boots, gloves, heaters, calf jackets and more. Call Tracie, Josh, and Steve if you need anything, if we don't have it, we'll get it! If you are in need of a brush cutter, rock buckets, feed buckets, hay spears, blades, anything you can think of give any of our locations a call for the best price around on Virnig attachments!!

Please join, like, and share our Facebook page to keep you updated on things coming up, sales and specials, or any news in Ag.

Milk / Milk house news – Please remember we are being told we need to be ready for a Federal Grade A inspection for our milk shed so please be ready for this as we do not know exactly what day that will be. If you're interested in contracting milk, give FDA a call at 320-593-4247 and talk to Blake Tangen.

Pierz Repair Shop – Swing in and check out our line of Troy-bilt snow blowers on sale for this upcoming winter, along with our line of Stihl chainsaws for cutting wood in preparation of winter and many other pieces of Stihl equipment. Sunrise Repair Shop in Pierz is always taking used oil to heat the building. If you have used oil you would like to get rid of, please call Bill or Dave. The oil **CAN'T** have water or antifreeze in it.

Scholarships for upcoming graduates – Scholarship applications are being taken and Sunrise Ag will give up to as many as 4 – \$500 scholarships, with preference given to someone advancing in an agriculture based education. The students parents **MUST** be patrons of Sunrise Ag. All scholarships are due by **March 29th** to the office. FDA also gives out many scholarships. To be eligible students must be a high school graduate and continuing education in an agricultural related field. Applications are available at the Buckman office for all scholarships. If you have anything you want to sell, give us a call and we can add it on here once a month. Call in, fax at 320-468-2807, or email it to me at jason@sunriseagcoop.com what you have to sell, your phone number to contact you at, price of it, and etc..... **Also please remember to let us know if it's gone so we can remove it.** Hopefully this can help one farmer get rid of something by helping another farmer with a need.
