Dear Sunrise Ag Coop Patrons,

January 4th, 2021

Feed/Grain news – As we welcome 2021 with open arms in hopes of everyday we move closer to back to normal, we are facing some challenging markets when it comes to feed costs and maybe even the dairy and cattle futures. I mentioned this in the past and it's looking to be the case to start 2021, but please stay in contact with the people that help you make money like your nutritionist, agronomists, banker, your Coop, and whoever else is involved with your farming operation. I wish you all nothing but success, good health, and happiness in 2021. Even with the crazy markets right now, we are still offering future contracting on Soybean meal, Canola, Amino Plus, and Corn Gluten Pellets. Markets and/or the basis have NOT been trending in the right direction for desired contracting still today but hopefully this can turn in a better direction for us as well but keep in mind it might not! I will try to email prices as much as I can so if you want updates of these prices Email me @ jason@sunriseagcoop.com and I'll add you to the list or let any of your nutritionists know and they can let me know to add you as well. Check out our website!! You can order feed on there, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. When ordering feed PLEASE continue to give us a one day notice. It helps the Coop tremendously in many ways.

Most importantly..... Thank you for your business!

Upcoming dates – Check out our website for some webinars being put on by the U of M extension. April 1st deadline for scholarships. The information is also on the home page of our website.

Pierz Repair Shop – We are staying very busy in Pierz and we just want to share with you all that getting parts is a struggle right now, especially any parts that come from other countries due to the Covid situation. Call Bill to get your snowmobile tuned up for that next big snow fall and get your Troy-bilt snow blower to remove your snow. Bill and his crew also repair all brands of ATVs, snowmobiles, chainsaws, side by sides, lawn mowers, etc. along with selling our Stihl equipment line year around. Make sure everything is ready for winter! If you are in need of electric motor repair please call Nick 218-330-6587, he does do service calls as well. Sunrise Repair Shop in Pierz is always taking used oil to heat the building. If you have used oil you would like to get rid of please call Bill or Dave. The oil CAN'T have water or antifreeze in it.

Buckman, Lastrup, and Little Rock – We have signs posted at each location and ask that if you have tested positive of Covid19 that you stay out of our stores until your quarantine period is over. You always have the choice to call in and order whatever you need and we will have it ready for you to pick up so you don't have to come in the store if you can't or don't want to. We ask this in respect to our workers that have to work in this daily and also other customers that come into our stores. We have all your winter needs on hand for your farms and your households! Call Niki, Josh, and Tim if you need anything, if we don't have it we'll get it! If you are in need of SNOW BUCKETS, rock buckets, feed buckets, hay spears, blades, anything you can think of give any of our locations a call for the best price around on Virnig attachments!!

We have started a Facebook page to keep you updated on things coming up, sales and specials, or any news in Ag. Please like and join us!!
