Dear Sunrise Ag Coop Patrons,

July 1st, 2022

Feed/Grain news – As we head into our two hottest months make sure you are prepared with our many products through Purina, Hubbard, Vita Plus, FAF, etc... This will help keep your cattle hydrated and the feed fresh for the cattle. We are still offering \$2/bag off Hydrolac when you purchase 40 or more. We also have many inoculant options for making your forages this summer, to give you higher quality and fresh feeds coming out of those silos and bags for the cattle and to help save you money by not buying as much protein for the cattle. Make sure your cattle waterers are cleaned out to give your cattle good clean water and help them out with the heat. We are still offering future contracting on Soybean meal, Canola, Amino Plus, and Corn Gluten Pellets. Now is probably not the time to do any contracting but those that did last fall are saving up to \$150/ton on most of their contracts. I will try to email prices as much as I can, so if you want updates of these prices Email me @ jason@sunriseagcoop.com and I'll add you to the list or let any of your nutritionists know and they can let me know to add you as well. Check out our website!! You can order feed on there, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. When ordering feed PLEASE continue to give us a one-day notice. It helps the Coop tremendously in many ways.

Most importantly..... Thank you for your business!
