Dear Sunrise Ag Coop Patrons,

July 1st, 2024

Feed/Grain/Coop news – We have \$1/bag off on Hydrolac pellets if you take a pallet or more for the summer. We also have other products through multiple feed companies that help your cattle with heat stress, feed freshness, and fly control. One other very important factor for your cattle in the summer and all the time really is your water, we have Ritchie waterers to help supply all your cattle with water. We will continue to do our best to find the best quality and prices on products we can, to provide to our patrons. I will continue to run the commodity contract prices daily or weekly and if you want updates of these prices Email me @ jason@sunriseagcoop.com and I'll add you to the list or let any of your nutritionists know and they can let me know to add you as well. If you are interested in locking in any grain or feed, please let us know. We are offering future contracting on Soybean meal, Canola, Amino Plus, Soy Hulls, NovaMeal, and Corn Gluten Pellets (direct to the farm only). You can use our website to order feed, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. **When ordering feed PLEASE** continue to give us a one-day notice. It helps the Coop tremendously in many ways. **Most importantly..... Thank you for your business!**

Accounts Receivable – We continue to look at our AR list monthly and we will have to make decisions that are difficult but needed. Please remember if you are told you can't charge anything more because of your credit being overdue, please be respectful to our employees if this action is needed and remember you can't go to any store and buy a candy bar or fuel without paying for it can you? Please remember if you are charging anything at Sunrise Ag it is due by the 15th/20th of the following month for you to stay current and continue to be allowed to use the credit given. We are willing to work with you but we are **NOT** a bank. If you can't stay current, we can't just keep extending credit. Credit is a privilege so please don't abuse it!! If you have any questions or situations upcoming, please call us in advance.

We are now offering an online way to pay on your account. Just go to our website
www.sunriseagcoop.com

Just click on the “pay my bill online” tab and follow the steps. If you have any problems or questions, please call our office to help you out.

If you are a patron of Sunrise Ag, you qualify and if you'd like to be a part of the decision making at FDA, please let Jason or Tim know and we can bring you to the nominating committee and go from there.
