Dear Sunrise Ag Coop Patrons,

March 2nd, 2026

Feed/Grain/Coop news – Purina is offering multiple different combinations of Wind and Rain minerals bookings this spring like years past, if you're interested, please contact Jos 218-639-5993 or Ron 320-224-8812 for details and prices. We are also in the process of trying to lock in the best creep feed price we can for 2026. We have hired Kylee Howard to run our Buckman store, please welcome her to Sunrise Ag when you call or stop in Buckman. Please continue to work with your teams of nutritionists, bankers, agronomists, etc... to help you get the best results and return as possible. Our auditor has wrapped up the 2025 financials and we look forward to sharing those results and passing out patronage at our annual meeting Tuesday March 17th at the Pierz Ballroom, 11am meeting with a meal to follow around noon. If you are still interested in locking in any commodities for 2026 or any combination of months, please let me know. If you have annually locked prices in the past, I'd still recommend taking a look at the current prices and if you never have done this before and are interested, please reach out with any questions. We offer future contracting on Soybean meal, Canola, Amino Plus, Soy Hull Pellets, NovaMeal, and Corn Gluten Pellets (direct to the farm only). We will continue to do our best to find the best quality and prices on products we can, to provide to our patrons. I will continue to run the commodity contract prices daily or weekly and if you want updates of these prices Email me @ jason@sunriseagcoop.com and I'll add you to the list or let any of your nutritionists know and they can let me know to add you as well. You can use our website to order feed, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. When ordering feed PLEASE continue to give us a one-day notice. It helps the Coop tremendously in many ways.

Most importantly..... Thank you for your business!

To be eligible students must be a high school graduate and continuing education in an agricultural related field. Applications are available at the Buckman office for all scholarships. Milk / Milk house news – Starting on 4/1/2026 First District Assn is implementing the policy or rule they will NO longer be accepting Grade B milk, therefore Sunrise Ag will not be able to as well since that's where our milk goes. Accounts Receivable – We continue to look at our AR list monthly and we will have to make decisions that are difficult but needed. **Please remember if you are told you can't charge anything more because of your credit being overdue, please be respectful to our employees if this action is needed and remember you can't go to any store and buy a candy bar or fuel without paying for it can you?** Please remember if you are charging anything at Sunrise Ag it is due by the 15th/20th of the following month for you to stay current and continue to be allowed to use the credit given. We are willing to work with you but we are **NOT** a bank. If you can't stay current, we can't just keep extending credit. Credit is a privilege so please don't abuse it!! If you have any questions or situations upcoming, please call us in advance.
