Dear Sunrise Ag Coop Patrons,

November 1st, 2021

Feed/Grain news – We have had beautiful weather for the 2021 harvest so I hope everyone has all or most of your harvest complete. We are planning to shut down the dryer Dec 1st. We have gotten very close to full here at the end of October so please watch our website or maybe call to make sure we have room. Also, as everyone is well aware of getting trucks and or commodities to show up on time or at all are a battle for everyone right now, but please know we are doing our best to keep everything stocked up. Purina and Hubbard both have beef cattle feed financing programs available. If you're interested, contact those feed reps for details. We are still looking for Oats to use in our feed mill so if you or anyone you might know of has some to sell please call Mike or Jason. We are still offering future contracting on Soybean meal, Canola, Amino Plus, and Corn Gluten Pellets. I will try to email prices as much as I can, so if you want updates of these prices Email me @ jason@sunriseagcoop.com and I'll add you to the list or let any of your nutritionists know and they can let me know to add you as well. Check out our website!! You can order feed on there, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. When ordering feed PLEASE continue to give us a one day notice. It helps the Coop tremendously in many ways.

Most importantly..... Thank you for your business!
