Dear Sunrise Ag Coop Patrons,

November 1<sup>st</sup>, 2023

**Feed/Grain news** – Update on corn drying, we are getting close to full believe it or not! I would have never guessed this would be the case with the lack of rain this summer but that's a good thing. We will be drying corn through Nov 30<sup>th</sup> and anything after that will be subject to rejection or drying rates will be increased to cover the extra costs of drying corn in colder temperatures SO, please try to get your corn in before November 30<sup>th</sup>. Another reminder we have added a new LPS (Livestock Production Specialist) through the Purina program to our sales team. Kari Heidebrink was added to our team in September. Kari has a nutrition background mainly in dairy and beef and is willing to help you out with other species as well, give her a call with any questions you may have at 320-630-4786. I will continue to run the commodity contract prices daily or weekly and if you want updates of these prices Email me @ [jason@sunriseagcoop.com](mailto:jason@sunriseagcoop.com) and I'll add you to the list or let any of your nutritionists know and they can let me know to add you as well. If you are interested in locking in any grain or feed, please let us know. We are offering future contracting on Soybean meal, Canola, Amino Plus, and Corn Gluten Pellets. Check out our website!! You can order feed on there, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. When ordering feed PLEASE continue to give us a one-day notice. It helps the Coop tremendously in many ways.

**Most importantly..... Thank you for your business!**

**Buckman, Lastrup, and Little Rock** – Sunrise has all of your winter supplies on hand for your farms and your households such as winter boots, gloves, heaters, calf jackets and more. Call Tracie, Josh, and Steve if you need anything, if we don't have it, we'll get it! If you are in need of a brush cutter, rock buckets, feed buckets, hay spears, blades, anything you can think of give any of our locations a call for the best price around on Virnig attachments!!

*Please join, like, and share our Facebook page to keep you updated on things coming up, sales and specials, or any news in Ag.*

**Pierz Repair Shop** – Swing in and check out our line of snow blowers for this upcoming winter, along with our line of Stihl chainsaws for cutting wood in preparation of winter and many other pieces of Stihl equipment. If you are having issues with electric motors please bring them to Pierz and Lou will take a look right away and fix or replace. Sunrise Repair Shop in Pierz is always taking used oil to heat the building. If you have used oil you would like to get rid of, please call Bill or Dave. The oil **CAN'T** have water or antifreeze in it.

**Milk / Milk house news** – Last month for anyone wants to defer milk sales for the year 2023 please contact Tina ASAP and she will send out forms. This has to be done as much ahead of time as possible to work out, you have to have it setup for the month before the month you would like deferred. If you're interested in contracting milk, give FDA a call at 320-593-4247 and talk to Blake Tangen.

**Upcoming dates** – Fall harvest wrapup and tillage work. Have fun and be safe!!

## **SUNRISE AG – MILK DIVISION**

**Looking for a FULL-TIME OR PART-TIME driver to pick up milk on farms and/or to deliver loads to various plants.** You need to have a Class A license with tanker endorsement, clean driving record, able to pass all DOT requirements, and get your milk hauling license. This would be helping with when drivers take vacation days, sick days, or injuries.

This could be a full-time position for anyone looking to drive hopper bottom when milk is not in need of a driver. We offer very competitive pay, full benefit package of 401K, health insurance, vacation days, PTO days, and optional Aflac and dental insurances.

For more information on either one, call 320-468-6433 and ask for Jason or Cindy or stop in Buckman for an application or for more details. Applications are online as well, please click on and use the driver application.

If you have any questions or concerns, please call us at Sunrise Ag and we will try our hardest to help you out!  
***Thank you for your past and future patronage!***

Jason Sadlovsky, General Manager
