Dear Sunrise Ag Coop Patrons,

March 2nd, 2020

Feed/Grain news – With the new Coronavirus going on in China and around the world currently we are experiencing some up ticks in prices with anything that has vitamins involved in it so if you see some price increases in mineral/vitamin packs that is why! Please continue to make sure you are checking your grain bins and please be safe and have a 2nd person with you if you choose to go inside of your bin. There has still been a lot of talk from patrons at the Coop saying there bins have been getting warm. This year with the quality of the grain, fines have been more of an issue with bins heating up than the moisture. Higher moistures will create this issue but patrons have been mentioning that even at lower moistures like 13-14% they still had some warm spots simply due to fines in the bins. Please make sure you run your fans and maybe move those centers before it's too late! We are having spring booking discounts on Purina and Hubbard minerals and tubs so please talk to Jos, Kathy, Ron, Lyle, or call any of our stores and they will help you out. Another issue we may have going into spring is Corn silage made when it was frozen becoming moldy or bad when the spring warmth thaws it out, please keep an eye on this along with communicating with your nutritionists. We are still pretty competitive on our grain prices, so if you are thinking of selling grain keep an eye on our website! We are always offering future contracting on Soybean meal, Canola, Amino Plus, and Corn Gluten Pellets. I try to email prices when I get the chance so if you want updates of these prices Email me @ jason@sunriseagcoop.com and I'll add you to the list. Check out our website!! You can order feed on there, check out the local cash bids for grain selling, and we have the local DTN news, weather, and markets as well. We are always looking to truck Corn and/or Soybeans for when we go pickup commodities, give us a call if you have any hauling needs 320.468.2852. **When ordering feed PLEASE continue to give us a one day notice. It helps the Coop tremendously in many ways.** Also please try to have the snow removed if needed before the feed is delivered. Thank you very much. **Most importantly..... Thank you for your business!**

Milk / Milk house news – ***Sunrise Ag is looking for more new milk patrons!!*** So if you are not currently a milk patron of ours and want to check out being one, call Roger 320-420-9719 or Jason in Buckman. It never hurts to do a price comparison as it is free and painless and you never know what you might be cutting yourself short! Sunrise markets their milk through First District and as a whole package I truly believe they are the leader in the markets. If you're a current FDA (Sunrise Ag) member and interested in contracting milk give FDA a call at 1-866-593-4235. Please remember to clean your yards for the milk trucks and we thank you all in advance because it is not easy or fun driving these rigs in snow. Thank you.
